Dear Mr. Michaud:

**Congratulations!**

The Bradford Beach Storm Water Treatment project has been selected as one of the American Public Works Association's *Public Works Projects of the Year* for 2009. As the primary consultant for this project we are pleased to inform you of this honor. Your selection puts you in a very elite group of winners and APWA is proud to have you and your partners on this project epitomize the public works profession and our association.

We have notified APWA's Board of Directors and are in the process of informing your local chapter of this prestigious honor you have been selected to receive. In addition, you, as well as the project's managing agency and primary contractor are cordially invited to receive a plaque recognizing this achievement at the APWA annual Awards Recognition Ceremony. This ceremony will be held in conjunction with the 2009 International Public Works Congress and Exposition in Columbus, Ohio and is scheduled for Monday, September 14, at 4:45 p.m. at the Greater Columbus Convention Center.

While the ceremony is held in conjunction with the APWA International Public Works Congress and Exposition, there are no fees to participate in the Awards reception. However, if you elect to participate in the International Public Works Congress and Exposition, you or your designated representative will be responsible for any associated travel costs and registration fees. To provide you with more information about the association and exposition, please visit our website at [www.apwa.net/congress](http://www.apwa.net/congress). Here you will find information about hotels, educational programming, and other events.

This is a very special occasion and we look forward to your participation, as well as the opportunity to fully recognize your contributions and achievements in the field of public works. In order for national awards staff to make the necessary preparations for you to receive your award, at the 2009 Awards Reception and Recognition Ceremony, enclosed is a "Plaque Information Form." We ask that you complete and return this form by **May 1, 2009**. Enclosed also is a "Project of the Year Participation Form". Please complete and return this form to us no later than **July 1, 2009**.

If you have any questions or need additional information, please do not hesitate to call me at 800-848-2792 x5261.

Sincerely,

Rhonda Wilhite  
Chapter Coordinator
